

Touch for Health Instructor Agreement

I, _____, agree to:

1. Maintain a high standard of Touch for Health Instruction, and aim to improve consistently.
2. Operate from Personal Effectiveness – no failures, only outcomes.
3. Have high moral and ethical standards.
4. Take responsibility for creating an excellent experience for both my students and myself.
5. Participate fully in the workshops and give 100%.
6. Work for results with students, and to constantly encourage progress and improvement.
7. Be an Instructor level member of the Canadian Association of Specialized Kinesiology as long as I teach Touch for Health classes and/or use the words “Touch for Health” in my advertising and promotion materials, or in my business card.
8. Thoroughly and effectively teach all the required material in each level of Touch for Health before sending in student names for certificates.
9. Not to teach material from other workshops or areas of knowledge during classes called Touch for Health.
10. Get certificates for my students through the Canadian Association of Specialized Kinesiology.
11. Update my Instructor skills regularly, and participate in an Instructor Update within two years after my ITW and thereafter at least every three years as long as I plan to continue teaching.
12. Spread my success with and enthusiasm for Touch for Health and enjoy using, teaching, and learning more.
